**INTERACTIVE WEBINAR**

Technical Roadmap Updates: What you need to know

Presented by: Eric Jansson

Thursday, July 11 | 1:00 pm CT

Where / What

- Search "Roadmap" on TechDocs (requires login)
- Annual update: start of calendar Q2
- Quarterly updates: start of Q3, Q4, Q1

Disclaimer

- We try hard to get this stuff right!
- But it doesn't always work out like we thought!
- If you take a mission-critical dependency
  - Watch the roadmap page for updates
  - Contact an Ed-Fi solutions architect

Data Standards: Before

| Q2	Q3	Q4
Enrollment API	**Core Student API**	**Assessment API**
• Simplification • Improved alignment with Unified Data Model for Suite 3	• Non-breaking updates • Program-tracking model updates • Deprecation	• Learning Standards model updates • Enumerations updates
